Increasingly more Deadly - Dangerous (COVID-19)
Coronavirus Conditions within the Harris County
Jail where Immunocompromised older inmates
are 5 to 10 times more likely to Contract and
Die from the new COVID-19 Mutated Strand
of Coronavirus - Officer's are bringing it in.

Dear Judge Rosenthal,

p.1

Hello Mom. Good Evening. How are you. Wanted to update you with the real conditions @ 1200 (the trashy jail) the real jail where most of us are housed with medical conditions. Where it stinks, is dirty, over crowded and guards don't pay attention to us and sleep on the job and medical care is Non-Existent. Not the new "JPC" Joint Processing Center ^{where} they have media photographers take pictures of to put in the paper to look good. There's only like 5% of the jail population there. 70% and 1200 are 20 years old ... and tell quite a different story.

I went to court on 1-19-21. Ct. #184 Judge Anastasio. They now offer 3yrs. TDC. and I reject the plea negotiation because I did not assault anyone.

Upon return from Court on Tuesday @ approx 2:30 P.M. medical staff came and put 3D-1B on Quarantine for 7 Days Again for the 5th time since Oct. 1st, 2020. No one can go to court. The reason is because Sheriff Gonzalez doesn't have beds in isolation cell's to hold new inmates long enough to get test results back. We got like about 5 new inmates in 5 days in the week before 1-19-21 and the infected in

mates are making their way in and endangering our lives.

We have asked for a spray bottle to spray disinfectant on surfaces in the tank for 3 months. None have been provided.

The Jailers will not give us a new mop. The old one fell apart. I'm requesting that you subpoena and audit Kiosk - electronically filed grievances to see our complaints.

I am worried I may die in jail. And the person accusing me has not one injury. Not a scratch on his head. Not a hair harmed. I've been in jail for one year now. My accuser is a Registered Sex Offender. Convicted Felon been to TDC - State Prison. He claims I chased him with a knife after he stole my backpack. He is lying. When I refused to sign (plead guilty) to 3 yrs. TDC I received a Next Court Date of April 22nd, 2021 Trial Date. I've been in since Feb. 27th, 2020. My Judge has refused a PR Bond (Denied) 5 Times. I have no money. I want to speak with a Civil Rights Attorney Neal Manne - Elizabeth Rossi and wish to be able to attend via Zoom hearings future

Proceedings and be able to be a Expert Inmate Witness to Conditions of Confinement & Denial of No-Cash Bail for Indigents.

They keep us in this God forsaken place until we plead guilty. That's the only way out. I almost signed for 3 yrs. just to get out of here so I could walk outside in the air again. We have no recreation at all here since Feb. 27th, 2020. And No Outside Recreation Ever since opening 20 yrs. ago. The food is terrible & no nutrients. I could not sign though Not this time. Why I'm Not Guilty and I'm not signing this time. Only Poor People in here. If I had \$500 (Five Hundred Dollars) this last year I would have Not Been Locked Up in Maximum Security Jail. How Can you say that's Not Punishment. "Any Deprivation of Liberty is a serious matter." USCA 14. Morrissey v. Brewer.

Additionally, another man/inmate that wishes to join this Lawsuit who has been in jail here at 1200 Baker for 3-Full years. Since 3/11/18 March 11th, 2018 with no bail ever given to him at all. Not one time. Because a Harris County

Sheriff's Deputy claims Victor Coronado, "threatened" him with a knife. But there's no injury - no - assault. Yet he's charged with Aggravated Assault, Denied Bail Completely 30 yrs. (is poor/indigent and a Court Appointed Lawyer). Last offer 40 years IDC.

Cause # 1583112 / Court # 228
SPN # 0075751

He wishes to be heard and represented in the lawsuit's. & wishes to have the Civil Rights Attorney's represent him.

Harris County Officials are Deliberately Indifferent to Our Constitutional Rights and DO NOT CARE WHETHER WE DIE OR NOT And WHETHER WE ARE INNOCENT OR NOT.

Thank you Mam.
